

# Fixed Shelf File

*Just take it out of the box and you're ready to file!*

*Tennsco's Fixed Shelf File helps take the hassle out of office filing. Whether you're a business or professional practice, you'll really appreciate the convenience and timesaving of a filing unit that requires absolutely no assembly.*

*Just because Tennsco's Fixed Shelf Filing Unit is convenient doesn't mean that we've skimped on features. You'll find solid-steel reinforced construction throughout to assure rigidity. Add adjustable steel dividers to keep file folders upright and you have a sturdy yet attractive filing unit that will stand up to years of daily use.*

SYSTEMS FOR SUCCESS

## Maximum Space Savings

Tennsco's seven-opening Fixed Shelf File offers maximum space utilization while providing convenient access to materials. Its unique no-assembly design is optimized for letter-size end-tab folder filing for the ultimate in space saving.

## Handy Work Surface

Optional slide-out shelf offers added workspace when needed. Fixed shelf spacing allows for adding the shelf to the third opening.

## Maintain Alignment

Keep units aligned with integrated adjustable levelers that compensate for uneven floors. Levelers can be easily adjusted with a screwdriver.

## Quality Features

### Premium Finish

Attractive yet highly durable powder coat finish ensures years of durability and good looks.

### Space-Saving Profile

13½" depth offers maximum filing efficiency especially in tight spaces and hallways. Unit is 78" high and 34½" wide with a clear opening of 9¾" high each shelf.

### Movable Steel Dividers

Keep file folders organized and upright with adjustable dividers. Each unit is standard with 28 black dividers.

### Optional Work Surface

Add a convenient optional posting shelf for added space to work, file or record information.

### Rigid All-Steel Construction

Welded construction with reinforcing corner gussets offer a unit that maintains its rigidity even when fully loaded.

### Adjustable Levelers

Unit can be easily adjusted to compensate for uneven floors.
