**European Styled Display System**

**Upright Assembly**  
Upright assembly gives the shelving a clean, contemporary look and added strength without compromising aisle space or storage capacity.

**Stabilizer Strut**  
Sturdy construction gives Tennsco/Estey A-Frame Display Shelving the strength to stand up to the heaviest capacities.

**Channels**  
Innovative channel design features 16-gauge uprights that allow you to add and adjust the shelving in 1" increments.

**Front Panels**  
Front Panels add a stylish backdrop to the system while concealing unsightly hardware. Choose from 12 unique, powder painted, baked enamel finishes.

**Kick Plate**  
Kick Plate allows for easy cleaning and prevents items from rolling beneath shelves.

**Top Cover**  
Top Covers create a finished, polished look to every unit.

Our A-Frame Display Shelving System offers clean, modern styling, perfect for any retail or library environment. The modular system is designed to hold everything from books and periodicals to Blu-rays and multi-media collections.

Simply start with the A-Frame unit then choose from a variety of shelving options\* to accommodate your needs. End panels are also available which hide any exposed hardware and create a finished look.

The A-Frame System is available in single and double faced units in 42", 54", and 66" heights.

*\*Shelves are sold separately.*

**Flexibility**

Many of the Tennsco Designer Series Shelving options can also be used with your A-Frame display. This gives you complete customization with greater versatility.
