NEWS RELEASE

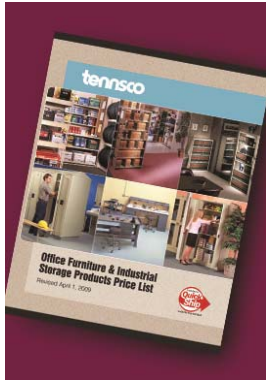

Tennsco's QuickShip: Delivered in Three to Five Days

For immediate release - January 10, 2010 — Tennsco, a leading manufacturer and supplier of industrial and institutional storage and shelving systems, lockers, and shop solutions, guarantees delivery of in-stock items in just three to five days with QuickShip.

“With our QuickShip Program, customers receive in-stock, top quality items they expect from Tennsco, faster than the delivery time required for custom orders,” said Mike Chapman, vice president of sales and marketing. “Short notice is not a problem.” Tennsco has streamlined inventory processes and procedures to maintain a ready-to-ship supply of hundreds of products in a variety of colors, sizes and designs.

“It could be that a facility or warehouse manager needs to increase productivity fast,” said Chapman, “or maybe a company’s application requires quick modification.” Whatever the need, Tennsco can meet it with fast, damage-free delivery.

In addition, Tennsco upholds an outstanding reputation for the manufacturing and timely delivery of custom or specialty orders, as well as a commitment to customer service that exceeds expectations.

For a complete listing of products offered in our QuickShip Program, visit www.tensco.com, or call **800.251.8184** to request your copy of our Office Furniture and Industrial Storage Products Price List. This 52-page catalog features products, dimensions, prices, and QuickShip availability.

Tensco Corp., headquartered in Dickson, Tennessee, began operations in 1962. Today, Tensco is an industry leader with over 1.4 million square feet of manufacturing and warehouse space in six facilities. Tensco offers a wide variety of filing and storage systems, steel office furniture, industrial and institutional shelving, lockers and shop equipment.
